Re: Inova Fair Oaks Hospital – Child Care Center

Dear Ms. Simonovich:

Your name is on my list of contacts for your community association. I apologize if I have addressed this to you in error and, if so, ask that you forward this to the correct association contact and/or contact me at the email address above to let me know.

I represent Inova Health System and am writing to let you know that I have filed an application with Fairfax County requesting to eliminate a proffered restriction on allowable users of the Child Care Center at Fair Oaks Hospital. The center is currently limited to children of hospital campus employees. Eliminating that restriction will help the viability of the center and its ability to continue to operate. We also believe that doing so will benefit the surrounding community by providing an additional child care resource in the area.

I am writing to invite you and/or other interested members of your association to attend an informational meeting concerning this application (and to address other questions you may have) on Monday, May 13, 2013 at 7:00 PM. The meeting will be held in the conference room on the main floor of the Fair Oaks Medical Office Building located at 3700 Joseph Siewick Drive.

I hope to see you there. Kindly RSVP to me by email (address above) so we have an idea how many to expect. Meanwhile, if you have any questions please do not hesitate to contact me.

Very truly yours,

WALSH, COLUCCI, LUBELEY, EMRICH & WALSH, P.C.

Timothy S. Sampson
